

2024 Fishtoberfest Vendor Registration Form

Please complete the following short registration form and send it back to gpasspdx@gmail.com. Please address questions and concerns to Ryan Mackey by text at 503-689-0480. See the GPAS.club website for more information. Thank-you for your interest in Fishtoberfest.

Name:

Doing business as:

Phone contact #:

Email address:

Number of booths requested:

Please note that the selling of any items deemed illegal for sale in the State of Oregon will not be allowed. Any items deemed objectionable by the organizers for any reason will need to be removed immediately upon notification from the show premises. If exhibitors have any concerns, it is their responsibility to clear such items with the organizers prior to the event. All items should be related to the aquarium hobby and in good condition. Any aquatic life sold needs to be in good health. Greater Portland Aquarium Society and Shilo Inn PDX assumes no liability for the security of your items; this is your responsibility. Please be prepared to provide correct change as a vendor. 'Table' consists of one 8' table, and 2 chairs.

I attest to understanding that my registration fee is non-refundable.

Additionally, I understand that my actions as a vendor cannot negatively impact the GPAS or Fishtoberfest. If my actions are judged to have negative impact, a majority vote of the GPAS board could remove me from my vendor role at Fishtoberfest. By paying my registration fee, I agree to these terms.
